STAKEHOLDERS FEEDBACK

ABOUT THE TRAINING PLATFORM

- It looks easy to surf
- Fortunately, there are always the training units on the left, so I won't get lost
- Nice interface and use of colors and fonts
- High usability
- Still there are some mistake of automatic translation to fix
- Positive feedback from participants indicates an overall improvement in skills and competences.
- General participant feedback is positive, emphasizing the importance of the training program.
- Participants have positive views on the modules and the training program as a whole.
- 90% of the participants are interested in attending another EMPOWERED module(s)

ABOUT THE TRAINING CONTENTS

- The training contents well reflect the needs of the women in certain conditions, the "pilots" totally agreed with the choosing of the 13 modules.
- Some of them wanted to add a module on the subject of Team Work. During the training women will also Work in Team and probably it would have been appropriate to add a module on Working Team.
- The training program is highly recommended. There are a few minor issues in the platform that need to get fixed.
- The majority of the participants thinks that the module structurally fits well in the curriculum plan
- 9% of the participants would recommend EMPOWERED training to their colleagues and friends

ABOUT THE TRAINING ACTIVITIES

- The training activities themselves resulted well structured. The same structure for all the module facilitate the trainers in the developing of the learning activities.
- The participants put a lot of emphasis on the section ACTION-REFLECTION, something they didn't expected to find.
- Engaging and some of them funny, great to create a nice atmosphere among the group.
- Brilliant the idea to add SELF-REFLECTION and ACTION activities.
- All the participants believe that the duration of the learning activities is appropriated
- Regarding the activities and resources proposed 8 out of the 11 participants believe that are easily be adapted to other learning contexts
